

Dear Sponsor,

On behalf of the families, children, communities and local authorities of Aghorat, we take this opportunity to thank you for your generous contribution during our first year of implementation that has enabled World Vision to support communities in their initiatives to improve the lives of their children and restore hope and opportunities for a better life.

This year the programme of Aghorat in partnership with local communities has significantly impacted the lives of children and their families through distribution of goats for the benefit of 165 households and 556 others poor families benefited from income-generating activities. In addition 28 child monitors have been trained in child protection, growth monitoring and community organization.

We thank you once again for your constant availability and generosity that support our efforts and maintain hope for a better future for your sponsored child as well as all children of Aghorat community.

Sincerely,

Diallo Hamidou
Aghorat Programme Manager
